Dear Mr. Anderson:

On 26 July 1983 we sent to you 22 documents which were responsive to a discovery motion request generated by the CBS vs Westmoreland case and requested that you coordinate on the declassification review of them.

On 29 August 1983 at a status call before the court to examine where we stood in processing the requested documents, the judge admonished us for taking so long to coordinate the review with other agencies. The judge did not set a deadline for completing the review of these documents but we believe it incumbent upon us to ask that you process these documents on a priority basis. The next status call before the court is scheduled for 20 September 1983.

We very much appreciate your assistance in this matter.

Sincerely,

Director of Information Services
Directorate of Administration
